

HARFORD HORSE SHOWS ASSOCIATION 2017 YEAR END AWARDS PROGRAM BOOK

Have a business, service, or barn you want to promote? Want to thank your trainer for their superhero powers? Or congratulate your rider on their amazing season? Put an ad in the Banquet Program!

With the close of the 2017 HHSAA Show Season, we look ahead to the Year End Awards banquet quickly nearing. This event is an exciting one for our association as we spend the evening recognizing our members and their equine counterparts for all of their achievements and successes in the past year. Every year, HHSAA produces a program booklet that is given to every member of HHSAA, as well as any other guests at the event, that outlines each award presented for the year. The program is a wonderful keepsake for our members. The program also includes spaces to thank trainers and staff for their dedication, congratulate riders on their achievements, or promote businesses and services within the HHSAA family.
