If conditions warrant, the class may be divided at a lower number of entries at the judges' discretion.

- G. In any merited class, the minimum number of entries required to split a class is 12, unless the class is held in an indoor facility, in which case the class must be split at 12. All other merited classes must be split if the number of entries is 18 or more.

- B. Hunter fences shall simulate obstacles found in the hunt field, such as post & rails, brush, stone wall, white board fence, gate, Aiken, chicken coop, hedge, etc. A ground line is strongly recommended for all fences. Pleasure fences should simulate obstacles found on the trail. All rails must be of solid wood.
- C. Jumps may have a maximum deviation of 3" lower but never higher than regulation height (at the show committee's discretion).

Section 4: Schooling Area

- E. In the Long Stirrup Equitation division, the riders will receive a blue merit award when they have accumulated 45 points. After the rider has reached 45 points, no additional points will be tabulated. Long Stirrup Equitation riders who accumulate at least 30 points but less than 45 points will receive a red merit award.
- F. In any Hunter division, no under saddle points will count towards year end awards unless the animal also completes a course in an over fences class in the same division at the same show.
- G. If the animal is leased, the lease may be transferred between persons during the year without affecting the animal's score.
- H. In the event of a tie, a high score award will be given to each of the tied competitors for year-end awards.
- I. Two classes in each division are necessary for points in that division to count for H.H.S.A. annual awards.
- J. In order for a horse and rider to qualify for a year-end prize, they must ride in two H.H.S.A. shows in the same division and have earned at least 10 points in that same division during the show season. In any show, horse and rider must be a member in order for points to be counted.

An adult must sign a receipt for the trophy before it can be removed from H.H.S.A. possession. The receipt shall specify the date the trophy is to be returned to the trophy coordinator. Any exhibitor failing to return the trophy by the date specified by the trophy coordinator will be assessed a late fee of \$150.00. Any member who fails to return a Benefit Show trophy by the Wednesday preceding the benefit show of the following year shall forfeit all points accumulated by the member and any animals owned by the member during the show season.
